**Contract Information**

I (we), the undersigned, do hereby certify the original \$6,000 in MN Department of Agriculture/Board of Water and Soil Resources promotional incentive funding has been expended, or returned to BWSR, and have attached the BWSR Final Financial Report for the grant. In turn the undersigned is requesting additional technical assistance funding from the Greater Blue Earth River Basin Alliance to service the MDA MN Agricultural Water Quality Certification Program to work with local landowners under the guidance of the Area Certification Specialist.

**Reporting Information**

I (we), the undersigned, do hereby agree to submit, upon expenditure of the additional technical assistance funding, to GBERBA a Completion Reporting Form, which will include calculated hourly wages, hours worked, number of landowners and acres serviced. When submitting the Completion Reporting Form the undersigned Soil and Water Conservation District is agreeing to furnish all required documentation should an audit occur.

**Funding Deadlines**

We do not at this time have expenditure deadlines or completion dates associated with these funds; unless funding issues arise for the MN Department of Agriculture, GBERBA and the undersigned SWCD will continue to service these contracts on a continual basis.

**Additional Technical Assistance Funding**

The program for which funding is requested is the **MN Agricultural Water Quality Certification Program**.
